Sponsors, your advantages

Musée Bolo creates an image of dynamism and education. By taking part in its projects, you make your company stand out among your customers, potential clients and employees.

Image and visibility

The museum's exhibitions are currently located in the heart of the EPFL. They are visited by more than 6,000 people (excluding students) per year. Your presence through individual plaques or an inscription on the sponsors' wall gives you excellent visibility. The museum's website has 10,000 visitors per year and offers several spaces where your logos can be displayed. The museum takes part in four major events each year, including the Night of the Museums of Lausanne and Pully. The museum's partners appear on all the printed material produced for each occasion.

Guided tours

We organise guided tours of the museum and temporary exhibitions for your employees, customers and prospects. Alternatively, you can visit the museum's computer storage rooms, a veritable Aladdin's cave!

Exhibition on your premises

Our team can also organise, on your company's premises, a mini exhibition of the computers it has designed or used in the past.

Sponsorships

Temporary exhibitions can be sponsored. We also have the skills to restore and restart rare and unique computers. Sponsorship of an exhibition or of a restored machine are rare privileges because they are widely publicised in the media.

VIP, vos avantages

You take an active part in the life of the museum by benefiting from the various counterparts according to your desires. The BoloCoins that you have accumulated offer you, for example, the possibility to take a guided tour of the storage rooms, to receive a cup with your favourite computer or to obtain a VIP entrance to a museum event.

Certain forms of partnership are tax deductible

Swiss Museum of Computer Science, Digital Culture and Video Games

We need you

The Mémoires Informatiques foundation, which has set itself the task of preserving and safeguarding computer-related objects, is in danger. The economic stability of the museum is fragile. The exhibition is housed in a space with public access and with no possibility of generating ticket sales.

The museum has to finance storage facilities in order to safeguard its precious heritage. Despite being selective in its acquisitions, this heritage is constantly growing and diversifying thanks to donations from many collectors of computer objects.

The museum is looking for generous partners who are aware of the challenges of the digital age. Help the museum pursue its ambitious project whilst participating in the life of the museum and enjoying certain benefits in exchange.

Become our VIP

You are a private individual nostalgic for the machines you have used, you are enthusiastic about today's digital technologies, you are a collector.

Become our sponsor

You are a public administration, an organization dedicated to education and teaching. You are a company active in computer science, in digital technology or in various other economic areas and wish to enhance your image.

Collect BoloCoins

The support subscription provides financial assistance to the museum periodically. You can also make a one-off donation. For every CHF 10.- donated to the museum, you will receive 1 BoloCoin. Thanks to the BoloCoins you have accumulated in this way, you will have a choice of rewards to choose from. The list is available in the reward catalogue. BoloCoins are valid for 5 years. For example, a donation of CHF 200.- entitles you to 20 BoloCoins which will get you a museum mug or a T-shirt.

10 CHF = 1 BoloCoinBoloCoins have a life span of 5 years
